Objective

A motivated and passionate second-year IT engineering student with a strong foundation in programming, software development, and problem-solving. Seeking an internship opportunity to apply theoretical knowledge to real-world projects and enhance my skills in [software development, data analysis, web development, etc.]. Eager to contribute to a team and learn from experienced professionals.

Education

Bachelor of Engineering in Information Technology

TPCT's Terna Engineering College ,Nerul

2023-2027

Current GPA: 8.2

Relevant Coursework:

- Data Structures and Algorithms
 - Database Management Systems
 - Object-Oriented Programming (OOP)
 - Java
-

Technical Skills

- **Programming Languages:** Java, C++, C,pyth
 - **Web Development:** HTML,Javascript, Bootstrap,
 - **Databases:** MySQL
 - **Operating Systems:** Windows ,linux
 - **Others:** Problem-solving (LeetCode) Data Structures, Algorithms, Object-Oriented Design
-

Projects

Project Name | [GitHub Link]

Description: Briefly describe the project, the problem it solves, and the technologies used.

- Developed a [description of the project] using [technologies/tools].
- Implemented features like [list features] and optimized for [performance, UI/UX, etc.].

- Collaborated with a team of [number of members] to design and deploy the application.
- <https://www.canva.com/design/DAGhZXyWVHM/SYlwuXQpadbURuSaWMfFvw/edit>

Project Name | [GitHub Link]

Description:

- Built the project using [technology stack].
- Focused on creating a user-friendly interface and efficient back-end logic.
- Integrated APIs and tested with unit and integration tests to ensure stability.

Project Name | [GitHub Link]

Description: workspace management system

- Built the project using python
-
- Integrated APIs and tested with unit and integration tests to ensure stability.

PYTHONGAME.zip

//Work Experience (Optional for Internships)

- .

Certifications

- HTML –Infosys ,[June,2024]
- Python – Infosys , [June,2024]

Extracurricular Activities

- **NSS** |Volunteer | [August, 2024 – Present]
Description: Actively contributed to community service as a National Service Scheme (NSS) volunteer. Participated in social awareness campaigns, cleanliness drives, tree plantation activities, and health camps. Demonstrated leadership, teamwork, and a commitment to societal betterment through active engagement in various initiatives.
- **Hackathons:** Participated in SIH(Smart India Hackathon), worked on projects like: Develop a website which provides explanation of tough and confusing judicial laws in a simple way making use of story or real life incidents for better understanding.

Achievements

- **Tug of War:** Awarded multiple **gold, silver, and bronze medals** in competitive Tug of War events, showcasing teamwork and strategy.
- **Art & Creativity:** Honored with several **medals and prizes** in **drawing, painting, and creative competitions** at school & state level. Recognized for exceptional artistic skills and innovative ideas.
- Maintained a creative portfolio on Instagram: [@thehealingcolours](#) to showcase my art, painting, and design work.

Languages

- English: Fluent
- Marathi: mother tongue
- Hindi: Native
